STATEMENT OF SOLIDARITY AND UNWAVERING SUPPORT FOR
CHAIRMAN BERNARD ANTWI-BOASIAKO "CHAIRMAN WONTUMI" by
the Ashanti Caucus of Constituency Chairmen

The Ashanti Caucus of Constituency Chairmen has noted with concern the conviction of our Regional Chairman, Hon. Bernard Antwi-Boasiako, popularly known as Chairman Wontumi, handed down yesterday.

Chairman Wontumi has been the face of resilience, grassroots mobilization, and unwavering commitment to the NPP in the Ashanti Region. Under his leadership, the party has remained formidable, united, and victory-driven.

We, the Constituency Chairmen of Ashanti, wish to state the following:

We stand in full solidarity with Chairman Wontumi and his family during this difficult time. You are not alone.

Our support for Chairman Wontumi remains unshaken. We believe in his integrity, his service to the party, and his dedication to the people of Ashanti and Ghana.

We call on all party faithful and supporters across the region to remain calm, law-abiding, and united. We have confidence in the legal directorate of the party and in the ability of the team to pursue all available legal options.
