STATEMENT BY THE MEMBER OF PARLIAMENT FOR ABUAKWA SOUTH ON THE UNFORTUNATE INCIDENT AT KYEBI ZONGO

The Office of the Member of Parliament for Abuakwa South has taken note of a viral video depicting an unfortunate incident that reportedly occurred at Kyebi Zongo on Saturday, 11th July 2026, involving a confrontation between some youth and military personnel, which resulted in the shooting and injury of a young man.

I am deeply saddened by this development and wish to unequivocally condemn every form of violence and brutality that endangers the lives and safety of the people of Abuakwa South. While the full facts surrounding the incident are yet to be officially established, no community should have to witness such unfortunate scenes.

I have been informed that the victim is currently receiving medical treatment at the Kyebi Government Hospital. On behalf of the good people of Abuakwa South, I extend my heartfelt wishes for his full and speedy recovery.

I wish to appeal to all residents of Abuakwa South, particularly the youth, to remain calm, exercise restraint and allow the appropriate state institutions to investigate the circumstances surrounding the incident. I also call on the relevant security authorities to conduct a thorough, impartial and transparent investigation to establish the facts and ensure that justice is served.

As Member of Parliament, I remain committed to engaging all relevant stakeholders to ensure that peace, law and order prevail within our constituency. Let us remain united, protect one another, and work together in the interest of Abuakwa South.

End.
